

**THE AUSTRALASIAN COLLEGE OF DERMATOLOGISTS
OVERSEAS RESEARCH FELLOWSHIP NO. 2
(St John's Hospital for Diseases of the Skin,
London, United Kingdom)**

GENERAL INFORMATION

Aim

The Fellowship shall be awarded annually to a Trainee of the Australasian College of Dermatologists.

The Fellowship may be used by trainees for 12 months accredited training for the FACD, to gain dermatological experience and relevant expertise at the St John's Hospital for Diseases of the Skin.

Selection

A selection committee comprising members of the College Executive will submit recommendations to the Board of Directors for approval.

Closing Date

Applications for the grant should be received no later than 28 February. Under no circumstances will applications be considered if they reach College after this date.
