Dear Dr NAME

I write to provide a summary of your performance in the recent Clinical Examinations of the Australasian College of Dermatologists.

A full examination report will soon be available for discussion with the State Director of Training and a representative of the Board of Censors in a formal interview which will be minuted. Please note that the examination report cannot be removed from the interview nor photocopied. Furthermore, the purpose of the interview is to help you in future examinations. I would like to emphasise that the interview is **not** a review of the examination results.

Yours sincerely

STEPHEN SHUMACK
Honorary Secretary
