Dear «Title» «LastName»

I wish to advise that you have been successful in the recent Fellowship Clinical Examinations of College and will be considered by Council for election as a Fellow. I enclose a letter advising you of the steps that need to be taken before you can apply for formal registration as a specialist in dermatology. These steps must be followed for payment of medical benefits for specialist services to be made by the Department of Health.

I also enclose a further form entitled "Record of Training in Dermatology". This must be completed and returned to the Honorary Secretary following completion of your training, as your successful election as a Fellow is dependent on the certification of your full term of training in dermatology, as well as passing the Fellowship Examination.

May I offer my congratulations on your success.

Yours sincerely

STEPHEN SHUMACK  
Honorary Secretary
